

# NORTHWESTERN GEOLOGY

Vol. 17 No. 3 Sept. 1996

(Sum No. 73)

## CHIEF CONTENTS

### • FUNDAMENTAL GEOLOGY •

- The Occurrence Setting of Pyrite in Yanzhi River Gold Deposit, Xiaoqinling .....  
..... *Jia Jianye*(1)

### • MINERALOGY OF GOLD DEPOSIT •

- Some Important Gold-bearing Minerals and Their Prospecting Information .....  
..... *Jia Jianye*(7)
- Compositional and Mosaic Characteristics of Native Gold as the Most Important Gold Mineral ..... *Jia Jianye et al.* (15)
- Discussion of Relationship Between General Characteristics and Gold-mineralization of Pyrite ..... *Jia Jianye et al.* (19)
- Study on the Gold Occurrence in Pyrite ..... *Jia Jianye et al.* (27)
- Building of a New Gold Genetic Mode: Chemical Absorption→Oxidation Reduction→Crystal Growth ..... *Jia Jianye et al.* (33)

### • MINERAL SPECTROSCOPY •

- Study on the x-ray diffraction spectrum of gold-bearing pyrite and its prospecting information ..... *Jia Jianye*(38)
- Mössbauer Spectrum Analysis of Gold-bearing Pyrite and the Mechanism of Spectral Line ..... *Jia Jianye*(46)
- Crystal Field Spectrum of Gold-bearing Pyrite and the Analysis of Ligand Field .....  
..... *Jia Jianye*(53)
- Medium-far Infrared Spectra of Gold-bearing Pyrite and Their Application to the Evaluation of Gold-mineralization ..... *Jia Jianye*(59)
- Raman Spectrum of Gold-bearing Pyrite and Its Application to the Evaluation of Gold Deposit ..... *Jia Jianye*(66)
- Study on the Electron Paramagnetic Resonance spectrum of Gold-bearing Pyrite .....  
..... *Jia Jianye*(73)
